Hi Alan,

Megan asked me to work out a time for EPA and CDPH to chat on Friday. How does 9-10 AM work for you and your team? We could also probably do 10-11 (that is our regular meeting with Angela Tovar, so I know that she will be available then as well).

Thanks,
Kirsti

Hi Megan – On the status of the AQ report, I think we've touched almost all our bases here and should be ready to release by Friday. Would like to speak first; and Friday's fine.

Hi Alan,

Happy Wednesday! Checking in about a couple of items related to our health impact assessment:

- Have you heard from the EPA team about whether there's any support available to help facilitate community meetings?
- Any updates on the status of your air report? The City has continued discussions on our side and would love to speak with you - maybe on Friday? - about the release plans. Is there a good time for us to discuss?

-mc
